Term 5 2017

A Woodstock Youth Work Trust newsletter looking at six exciting things that happened in the last six weeks, and six exciting things coming up in the next six weeks.

## LAST 6 WEEKS

A survey was done of 702 students in Marlborough school as a means of exploring their needs.

We ran a successful trial run for a games night.

We have written a safeguarding policy.

The school break allowed space to dream and get excited for the future of the trust.

Our youth worker obtained his minibus licence, increasing the opportunities of the trust.

This termly newsletter was created.

## UPCOMING 6 WEEKS

We are starting a lunch club at the Marlborough School on a Tuesday lunch time.

We are starting to look at implementing collective worship during form times at Marlborough School.

We are going to set a date to make the games night more regular.

We will be looking into a worship evening and beginning to explore how this might work in Woodstock.

We are starting to look at creating groups based on the feedback from the surveys.

Our Buttery Sunday School group is going to be growing and potentially splitting.
