

# Six in Six

Term 6 2017

A Woodstock Youth Work Trust newsletter looking at six exciting things that happened in the last six weeks, and six exciting things coming up in the next six weeks.

## LAST 6 WEEKS

The Tuesday lunch club has started, and we currently have about 6 students regularly attending.

We have found a safeguarding co-ordinator and deputy.

A young person that has been around the last few months has decided to get baptised.

The split in the Buttery group has gone really well, and had really positive effects for those involved.

The restart to the year has gone well so far, and it feels like we're making the most of the new opportunities.

We finalised our safeguarding policy.

## UPCOMING 6 WEEKS

With the reopening of St Mary Mags, we are talking about a regular youth service held there.

We will be launching a regular board game club in the next few weeks.

We will be starting collective worship in form times at Marlborough.

We will be starting to explore other groups with a view of starting them in early 2018.

We will have the pleasure of baptising a young person who has recently come to faith this December.

We are working with a young person in preparation for a mission trip to Moldova in February.
