There has been some people get in touch about being involved with helping out.

We have been having conversations with the school on how to work together well.

Learning Communities re-started, and we had some really good conversations about where God is moving in 2018.

The mission trip to Moldova went really well, and everyone involved saw God move.

We have been looking at opportunities to help young people grow in leadership.

We are looking at doing another reflective worship in the school with year 8.

We are entering into the second round of fundraising starting in April.
