

# Six in Six

Term 5 2018: Sept - Oct

A Woodstock Youth Work Trust newsletter looking at six exciting things that happened in the last six weeks, and six exciting things coming up in the next six weeks.

## LAST 6 WEEKS

Our various groups re-started for the year and so far have been going really well.

We've seen new young people coming along to the various groups we run.

Board has started running at the youth club, which has made it feel lot more accessible and welcoming.

We have been able to be present more in the local churches on a Sunday morning.

Young people at the various groups have been asking good questions, going deeper in their faith, and even inviting their friends to come to events.

We have seen new volunteers express interest in serving in different areas of WYWT.

## UPCOMING 6 WEEKS

We are looking at how we can disciple young people intentionally and effectively

We hope to continue growing our groups and building on the existing momentum.

We hope to continue being more present in the local Woodstock churches and work on communicating more.

We will be starting to explore avenues of funding as we start to come to the end of the initial 3-year period.

We are looking at how to expand our volunteer team to carry out the work well.

We are looking for opportunities to share faith more as Christmas approaches.
