

# Six in Six

Term 2 2019: Feb - Apr

A Woodstock Youth Work Trust newsletter looking at six exciting things that happened in the last six weeks, and six exciting things coming up in the next six weeks.

## LAST 6 WEEKS

Our youth worker has now started the role full-time, rather than just part-time.

We have been networking with various other local churches and organisations as we explore expanding the work.

We did a cycle of assemblies for every year group at Marlborough Secondary School.

Some of our volunteers and some of our young people have started taking on more leadership opportunities.

We have been involved in organising a local networking event to connect together those involved in Christian youth work in Oxfordshire.

We have been continuing to explore what it means to be involved in the community.

## UPCOMING 6 WEEKS

We are having on-going discussions with the local schools about what involvement there looks like.

We have been asked to lead the World Day of Prayer Service for the local schools.

We have the first networking event this March and are hoping to connect together with lots of local churches.

We have been asked to lead a reflective service on behalf of churches Together during the Lent season.

We have been given opportunities to see other examples of the work we want to grow into.

We are starting to look at the ways we can provide more discipleship for young people.
