

Six in Six

Term 3 2019: April - May

A Woodstock Youth Work Trust newsletter looking at six exciting things that happened in the last six weeks, and six exciting things coming up in the next six weeks.

LAST 6 WEEKS

We had the opportunity to lead a World Day of Prayer service for the students of the local schools, organised by the local churches.

We were involved in leading one of the Lent Reflection Services.

We have started planning the next Prayer Spaces with Marlborough School.

We have had the opportunity to connect with lots of other local youth workers and explore how we can work together.

We have also been able to connect with several people and organisations who are doing schools work and experience the way they deliver their content.

We have started a monthly prayer session to specifically pray for all the youth work in Woodstock.

UPCOMING 6 WEEKS

We are currently working on a 3-year report on the work of the trust to present to the local churches in the near future.

We are trying out different ways of supporting and working with other local youth groups.

We are continuing to have conversations about the work in schools and what that role might look like going forward.

We are working on Prayer Spaces and planning on how to make it the best experience for the Marlborough students.

We are continuing to view different examples of school's work with a view of how to develop this for Woodstock.

We are still exploring the ways we can discipleship young people more.
