

Six in Six

Term 4 2018: June - July

A Woodstock Youth Work Trust newsletter looking at six exciting things that happened in the last six weeks, and six exciting things coming up in the next six weeks.

LAST 6 WEEKS

Encounter turned 1 year old, and is really starting to take off.

Our network is growing and we have been exploring new ways of working with other youth ministries.

We started a monthly prayer session that is going strong, and has been well attended.

We have continued to explore what future involvement in the schools will look like.

We have been planning the next Prayer Spaces week at Marlborough, and are really excited for it.

We have started looking ahead to the next academic year and what we want to see happen.

UPCOMING 6 WEEKS

We are starting a new discipleship group to help young people engage with their faith.

We are carrying out week long Prayer Space in Marlborough during the first week of July.

We have our next Learning Communities weekend to be envisioned with youth ministry strategy.

We are participating in a mission trip in Witney.

We are continuing to network with other local youth ministries as a means of working together.

We have been given opportunities to see other ministries who are further along than us and learn from what they are doing.
